An artist without borders. A musician whose songs take listeners on a journey through different languages, emotions, and cultures.
After releasing dozens of singles, three major albums, and two EPs throughout 2026, Ersin Faikzade has become one of the year's most prolific international recording artists. In recognition of his remarkable artistic output, he was honored with the prestigious "Most Influential Male Artist of the Year" award at a glamorous ceremony in Istanbul.

But what truly makes him different?
His powerful hit "Narcissist Boyfriend" opens with the unforgettable line, "Love was beautiful... believing again is the hard part." The song boldly reflects the realities of modern relationships and quickly resonated with audiences. He later introduced the Spanish version, "Mi Novio Narcisista," proving once again that his music knows no borders, blending pop, rap, funk, and contemporary sounds into a truly international style.

With "A Breeze from Yedikule," he transported listeners to nostalgic streets filled with unforgettable memories.
"Ege Yaz?" captured the peaceful spirit of Turkey's Aegean coast, bringing the scent of the sea and the beauty of summer to audiences around the world.
"Gönül Postac?" entertained listeners with its playful storytelling and witty reflections on lost love.

"The City Knows You" turned the streets into witnesses of unforgettable romance.
"Only Me" offered a humorous yet thought-provoking look at modern selfishness.
Yet music in Turkish is only one chapter of his artistic journey.

Faikzade also won the hearts of Persian-speaking audiences with a full-length Persian album entirely written and composed by himself. The record explores universal themes including love, freedom, humanity, hope, and social issues.
His connection with Latin America continues to grow through dozens of Spanish-language releases that have received enthusiastic support across the region.
His French single "Suis-je Réel" remained on music charts for five consecutive months, while "La Solitude" touched listeners with its emotional portrayal of loneliness.

"Günayd?n" delivered a message of hope for children, while "Radio Sunset" impressed audiences with its modern funk-pop sound inspired by the French Riviera.
"?ki Aras?nda" explored the emotional conflict between life and self-discovery.
Meanwhile, "No Soy Tu Plan B" ("I'm Not Your Second Choice") has become one of the most-played songs on several Latin American radio stations, attracting attention for its empowering message.

Listening to Ersin Faikzade is about much more than entertainment.
You think.
You feel.
